RE: Revising the Role and Responsibilities of the Commission's Citizen Advisors

METROPOLITAN TRANSPORTATION COMMISSION
RESOLUTION NO. 3516

WHEREAS, the Metropolitan Transportation Commission (MTC) is the regional transportation planning agency for the San Francisco Bay Area pursuant to Government Code Section 66500 *et seq.*; and

WHEREAS, MTC seeks to involve citizens of diverse backgrounds and interests in the development of transportation plans and programs, in a manner consistent with the federal Transportation Equity Act for the 21st Century, and Commission policy (Resolution No. 2648 and Resolution No. 3351); and

WHEREAS, MTC has three citizen advisory committees to ensure that a wide spectrum of views is considered in developing transportation policy; and

WHEREAS, MTC appointed a Minority Citizens Advisory Committee (MCAC) in accordance with the Metropolitan Transportation Commission and Mexican-American Legal Defense and Education Fund (MTC/MALDEF) Memorandum of Understanding of September 19, 1974; and

WHEREAS, MTC Resolution No. 316 established elderly and disabled advisors to the Commission and Resolution No. 2276 established the Elderly and Disabled Advisory Committee; and

WHEREAS, MTC Resolution No. 2817 established an Advisory Council to the Commission; and

WHEREAS, MTC seeks to enhance the contributions and effectiveness of its citizen advisory committees as a public involvement tool, now, therefore be it

RESOLVED, that the members of the three advisory committees will be appointed according to the process and shall have the role, tasks, membership and meetings as described in Attachment A to this resolution, attached hereto and incorporated herein as though set forth at length; and be it further

RESOLVED, that the Advisory Council roster is contained in Attachment B to this resolution, that the Elderly and Disabled Advisory Committee roster is contained in Attachment C to this resolution, and that the Minority Citizens Advisory Committee roster is contained in Attachment D to this resolution, attached hereto and incorporated herein as though set forth at length, and be it further

RESOLVED, that the Executive Director is instructed to secure nominations to fill expired terms and other vacancies and present them to the Commission for confirmation by periodically revising Attachments B, C and D; and be it further

RESOLVED, that Resolution No.'s 2276, Revised; 2459, Revised; and 2817, Revised, are superceded with the adoption of this resolution.

METROPOLITAN TRANSPORTATION COMMISSION

Sharon J. Brown, Chair

The above resolution was entered into by the Metropolitan Transportation Commission at a regular meeting of the Commission held in Oakland, California, on December 18, 2002.

Attachment A
Metropolitan Transportation Commission
Citizen Advisory Committees

The Advisory Council, the Elderly and Disabled Advisory Committee and the Minority Citizens Advisory Committee shall advise the Commission and its staff through the appropriate MTC standing committees on matters within MTC's jurisdiction and as assigned to each advisory committee by the Commission. The Advisory Council is a broad based panel that brings together a variety of interest groups to discuss transportation issues of concern to all. The Elderly and Disabled Advisory Committee and the Minority Citizens Advisory Committee ensure that the views and needs of the elderly and persons with disabilities, and minority communities, respectively, are adequately reflected in MTC policies.

A. Roles/Expectations

1. Relationship of Committees to Each Other

All three committees – the Advisory Council, the Elderly and Disabled Advisory Committee and the Minority Citizens Advisory Committee – directly advise the Commission, although each committee has a distinct core mission and different issue areas assigned to it by the Commission. Those issue areas form the foundation of each committee's work plan.

2. Advisors Provide Geographic and/or Interest-Based Perspectives

Although citizen advisors are often appointed based on their organizational affiliations, they are appointed as individuals. Citizen advisors should attempt to represent their constituencies (and not just their individual organizations).

3. Responsibilities

Citizen advisors will be expected to regularly attend their respective committee meetings, and to maintain an ongoing engagement with organizations and individuals who make up the citizen advisor's constituency.

4. Committee Work Plans

In order to connect each committee's expertise to specific MTC tasks and responsibilities, the Commission will assign subject areas to each committee. These assignments provide a focused approach to developing each committee's work plan. Each committee will prepare

an annual work plan, based on a longer, perhaps three-year, strategic plan.

Each committee engages in three types of work, and their work plan should address these:

- Provide formal input on decisions and actions pending before the Commission.
- Actively and independently research new initiatives that the committee believes might be relevant to the Commission.
- Receive updates from staff on transportation-related activities in the Bay Area.

5. Reporting to the Commission

Each advisory committee shall report to the Legislation Committee annually on its work plan. It also is expected that advisors will present their committee's recommendations to MTC's standing committees or the Commission, as appropriate.

6. Limitations on Citizen Advisor Activities

The role of citizen advisors is to advise MTC Commissioners. Citizen advisors are not to convey positions to outside agencies on behalf of their committees, independent of Commission action. All correspondence shall be made on Commission letterhead. Of course, advisors are free to take any position as individuals, separately from their committees.

B. Procedures

1. Terms of Appointments

Citizen advisors serve for two-year terms, starting in April 2003. Although there are no term limits, MTC Commissioners who appoint citizen advisors will be encouraged to consider length of service and effectiveness before making appointments and reappointments every two years. Advisors wishing to be reappointed must reapply.

2. Attendance Policy

Committee members must attend at least two-thirds of a committee's regularly scheduled meetings each year. Those who do not do so will be subject to dismissal from the committee at the discretion of the appointing commissioners(s).

3. Residency Requirements

Citizen advisors must live or work in the nine-county Bay Area.

4. Compensation

Subject to and upon approval of a revision to the Commission Procedures Manual (MTC Resolution No. 1058, Revised, Appendix D), citizen advisors will receive a stipend of \$50 per meeting and be reimbursed for actual expenses for travel, with a maximum of three meetings per month per committee. Meetings are defined as publicly noticed meetings or subcommittee meetings of the advisory committee to which the individual has been appointed; noticed MTC Commission or committee meetings; or attendance at a community meeting in conjunction with MTC staff. This includes initiatives undertaken by MTC that require outreach assistance from citizen advisors (i.e., when he/she attends a

community meeting with MTC staff; when advisor provides an introduction to a particular community and attends meeting with staff).

5. Meeting Frequency and Location of Meetings

Each committee will meet bi-monthly, or more frequently if dictated by the committee's annual work plan. Public meetings will be held at the MTC offices or other locations at a regular time to be agreed upon by the members of each committee.

6. Quorum Requirements

At least 50 percent plus one of a committee's appointed membership must be present to constitute a quorum and vote on issues. Committees can hold discussions in the absence of a quorum, but cannot vote.

7. Appointment of Committee Officers

Each committee will have a chair and a vice-chair, and any other officer deemed necessary by the committee. Officers are appointed by their respective committees. Committee chairs and other officers have one-year terms. Although committee chairs may be re-appointed, regular rotation is strongly encouraged.

8. Business Cards

At their request, citizen advisors will be provided MTC business cards.

9. Public Meetings

All advisory committee meetings and subcommittee meetings will be noticed and open to the public.

C. Appointment Process

MTC staff shall secure nominations to fill terms and vacancies for each committee and present them to the appropriate Commissioners for confirmation. Nominations for members of the three advisory committees will be solicited from a wide range of sources including, but not limited to, the following: MTC Commissioners, current advisors, relevant organizations in the community and via news releases sent to media outlets in the nine-county Bay Region.

D. Membership

1. **MTC Advisory Council**

The Advisory Council shall be composed of twenty-four (24) members appointed by the chair and vice chair of the Legislation Committee, and confirmed by the full Commission. There shall be no alternates to the appointed members.

- Two (2) members shall be appointed from each of the following eight (8) interest categories: environmental, business, labor, academia, community, safety, minority, and elderly and disabled. The representatives from the minority and elderly and disabled

interest categories shall be members of the Minority Citizens Advisory Committee and Elderly and Disabled Advisory Committee, respectively.

- Four (4) members shall be appointed from a user category that will include one person representing each of the following four (4) interests: freight, automobile, transit and non-motorized transportation.
- One (1) member shall be appointed from each of the following four (4) professional categories: architecture, construction, engineering, and news media.

2. Elderly and Disabled Advisory Committee

The Elderly and Disabled Advisory Committee shall be composed of twenty (20) members appointed by the Commission as follows. There shall be no alternates to the appointed members.

- One (1) elderly and one (1) disabled advisor from each of the nine counties shall be selected by the Commissioner(s) representing each county.
- One (1) elderly or one (1) disabled advisor shall be selected from the region at large by the Commissioners representing the Association of Bay Area Governments and the Bay Area Conservation and Development Commission.

3. Minority Citizens Advisory Committee

The Minority Citizens Advisory Committee shall be composed of twenty-six (26) members appointed by the Commission as follows. There shall be no alternates to the appointed members.

- One (1) advisor of Hispanic/Latino background, one (1) advisor of Asian background and one (1) advisor of African American background from each of the following five (5) counties -- Alameda, Contra Costa, San Francisco, San Mateo and Santa Clara -- shall be selected by the Commissioners representing each county.
- The Commissioners representing the four (4) counties of Marin, Napa, Solano and Sonoma shall each select two (2) advisors from each county, and those advisors shall be of either Hispanic/Latino, Asian or African American descent.
- One (1) at-large advisor of Native American descent shall be selected by the Commission chair and vice chair.
- Two (2) at-large advisors shall be individuals from or who serve low-income communities, and will be selected by the Commission chair and vice chair.

Any change from the preferred committee structure for the Minority Citizens Advisory Committee, as outlined above, may occur on a case-by-case basis, under the following conditions:

- 1. Only in instances where vacancies remain after a recruitment effort resulted in no candidates for a certain racial category.*

2. *Only after an active recruitment continues for at least an additional three-month period.*
3. *A vacant seat in a county in which the recruitment efforts yielded no appropriate candidate from a particular racial category could be filled only by applicants from the same county who meet the qualifications for another MCAC racial category.*
4. *Any change to MCAC's county membership formula must not significantly impact the committee's overall ethnic diversity.*
